c. [REDACTED] raised the question of space for covert training purposes. He stressed the fact that within three weeks an urgent need for such space would exist and that every effort to obtain this space should be made within the time remaining. [REDACTED] was requested to prepare a memorandum outlining specific needs for such space for presentation to ADSO, and to obtain the approval of ADSO to support our formal request for the needed space.

e. [REDACTED] brought to the attention of the Committee the affect that the adoption of the Foreign Service Allowance Regulations at this time would have on our people presently in the field. Due to the delay in the [REDACTED] he urged that consideration be given to the postponement of adoption in view of the administrative difficulties which would be encountered at this time. The Committee suggested that members of Personnel Division, [REDACTED], and SPD meet to discuss this problem.
